

"Modern Living in a Rural Setting"

SALEM CITY POLICE DEPARTMENT

CHIEF BRAD S. JAMES

30 West 100 South * P.O. Box 901

Phone: 423-2312

10.09.040. Outside Employment.

- A. Employees of the Department may engage in outside employment only after obtaining written permission from the Chief of Police.
- B. Employees are prohibited from engaging in regular employment or in a gainful occupation outside their city positions which is detrimental to the good of the department. The types of services not permitted would be: bartending, working at a lounge, tavern or pool hall, private collection agencies, collecting checks, private detective agencies, repossession, any other which is or may be construed to be a conflict of interest.
- C. An employee of the Department shall not be engaged in outside employment while carried on sick or injured-on-duty status except by special permission of the Chief of Police.
- D. An employee of the Department engaged in outside employment as a security officer shall assure that the employing company complies with state and federal income reporting and with holding requirements.
