The atmosphere is casual, the open air enticing, the goods fresh, and the results are fantastic! This is free to all farmers!

### PIE CONTEST:

The history of the pie is rich in flavor! Many recipes have been passed down for generations— tried and true. Others are your own master pieces created in your own kitchen. Know matter the age of the recipe we want you to share your talent in this years contest. (Staci Lasson 801-423-7309)

## Salem Days 2010 Vendor Policy HOT SUMMER NIGHTS

### I GENERAL

The Salem Days Committee will designate the areas available for booths during the HOT SUMMER NIGHTS celebration. The Committee reserves the right to reject any and all requests for booths. Approved booths may be set up the day prior to the official start of the celebration. Booths must be removed no later than the day following the close of the celebration. Please check with Hot Summer Nights Committee for set up and take down times. Each vendor is responsible to provide their own security for their booth, equipment, inventory and other items located at the site from the time the booth is set up until it is taken down. Neither the City nor the Committee is responsible for items left on the site, before, during, or after the celebration. Each vendor shall comply with all laws, rules, and regulations pertaining to the celebration. Access to and from the booth will be restricted by the Committee or the Salem City Police Department during some part of the celebration. These requirements are considered part of the regulations which are to be followed. Exhibits must be confined to the booth space, and not encroach on the walkways or the spaces to the side or rear of the booth. Booth spaces are assigned by the Committee Chair. Vendors should bring their own canopies, tables, chairs, and securing devices. We only supply the booth space. All sales must take place from your assigned booth space and no roving sales are allowed. The event is not dependent on the weather. Hope for sunshine but the event will go on regardless, and the fees will not be refunded in the event of rain or winds. Unless you instruct us otherwise, your name may be released to other events that ask us for a list of our vendors. Each vendor shall comply with all laws, rules, and regulations pertaining to this event.

Booth space for vendors shall be available to eligible vendors as assigned by the Committee, based upon the variety of product offered, when compared with all of the participating booths overall, and upon the timeliness of the request. Vendors are to comply with the Utah State Tax regulations. The Tax Commission will provide tax packets for each vendor at check-in. We will provide the tax forms, but it is your responsibility to collect sales tax and return it to the state. We are required by the state to provide those names, addresses and social security numbers and tax numbers for each vendor.

### II FOOD BOOTHS

Vendors seeking to sell food items must obtain food handlers permits from the Utah County Health Department for all persons handling food and comply with all Health Department regulations. The number of food permits are limited to the space available, as determined by the Committee in its sole discretion.
