CITIZEN'S STATE REFERENDUM NUMBER 1

In February 2007, the Utah Legislature passed H.B. 148, Education Vouchers. This bill will take effect only if approved by voters. The bill:

- establishes a scholarship program for:
  - qualifying school-age children who continue their enrollment in eligible private schools; and
  - lower income school-age children who continue their enrollment in eligible private schools;
- provides for scholarships within that program of \$500 to \$3,000, depending on family size and income, increasing those scholarship amounts in future years; and
- allows school districts to retain some per-student funding for scholarship students who transfer to private schools.

Are you for or against H.B. 148 taking effect ?
