Salem City

WE WANT YOU!

Salem Days is a huge part of what we are all about and we could not do it without your help. We are looking for individuals and groups to help make Salem Days a success. Please see our attached registration forms that will need to be brought into Salem Parks & Recreation (60 North 100 East, Salem).

You will need to be able to pass a background check so don't forget to bring in your drivers license.

Registration form attached.
